

## Miss Angela's Learning at Home Activity

### Paper Roll Bunny Craft

Related Science Lesson Airs: 3-31-21 on WQLN PBS

#### Materials:

- One paper towel roll or three toilet paper rolls
- Tape or stapler
- Paint
- Any extra materials, if desired

#### Procedure:

1. Cut paper towel roll in thirds
2. Squish two of the pieces or rolls to make ovals
3. Tape or staple the three rolls together (put the two ovals close together to look like bunny ears on the top of the round head piece)
4. Dip the cardboard rolls into paint
5. Press the rolls onto a paper (may need to wiggle it around a little)
6. Now decorate the face any way you want to make eyes, a nose, and anything else you like
