

## Miss Debbie's Learning at Home Activity Farms

Related **ELA Lesson** Airs May 17, 2021 on WQLN PBS

### How to Make

#### Materials:

- Felt – 2 white, 1 black, 1 pink
- Wiggly Eyes
- Pencil

#### Directions:

- 1) Trace your child's hand onto one piece of felt. Make it larger than their hand. Keep fingers and thumb together. Where the thumb is, will be the ear. Trace the other ear across from it on the opposite side.
- 2) Cut the hand-shape out of the felt, and use it as a pattern for the other piece.
- 3) Glue the edges of the pieces together.
- 4) Cut out black felt spots and glue to the cow. Repeat with pink felt for nose and inside of ears.
