

Miss Julie's Learning at Home Activity

Muddy Pig

Related **Special Education** Lesson Airs May 21, 2021 on WQLN PBS

How to Make

Materials:

- A piece of cardstock
- A stencil or drawing of a pig cut out
- Red Tempera Paint
- White Tempera Paint
- Paint brush or little sponge
- 4 clothespins
- Dirt
- Water

Directions:

1. Draw a shape of a pig on the cardstock. The legs do not need to be on it because you will use the clothespins for the legs on the pig. Cut this out.
2. Have fun mixing the red and white paint to make pink. Hint: Start off with white paint and add a little red to it and mix.
3. Paint the whole pig pink and if you want, add eyes and mouth with a marker.
4. Mix dirt and water and place mud marks randomly on the pig.
5. Place the four clothespins on the bottom in place of the pig's legs.
6. Let it dry and stand it up to see your muddy pig!

Name: _____

“A Day on the Farm”

Comprehension Questions

Answer the following questions:

1. Name one job that Farmer Brown does in the barn first thing in the morning.

2. The pig likes something that Farmer Brown does. What is that?

3. What is Mrs. Brown doing when Farmer Brown is doing morning chores in the barn?

4. Can you name any of the children in the story?

5. Can you name any of the pets in the story?

6. What does Farmer Brown drive in the field to cut the hay?

7. Name one activity the children do on the farm.
