Story Ball

Related Language Arts Lesson November 15, 2021 on WQLN PBS

How to Make

Materials:
• Inflatable ball
• Marker
• Books of your choice

Directions:
1. Write different story comprehension question prompts onto the inflatable ball. Some examples are:
   • Title?
   • Who?
   • Where?
   • What?
   • Why?
   • How?
2. Read a story.
3. Roll the ball to others or to yourself.
4. Look where your hand lands on the ball. Answer that question about the story.
5. Have fun using your story ball for many different stories.

Marble Painting

Related Math Lesson November 16, 2021 on WQLN PBS

How to Make

Materials:
- Paper
- Paint
- Marbles or any small ball
- Box or tray

Directions:
1. Put a sheet of paper flat in the box.
2. Add drops of paint to the paper.
3. Place the marble in the box and shake the box in different directions and at different speeds.
4. Enjoy your beautiful artwork.

Bouncy Balls

Related Science Lesson November 17, 2021 on WQLN PBS

How to Make

Materials:
  • 1 cup hot water
  • 1 TBSP Borax
  • 1 TBSP Elmer’s Glue
  • Food coloring or colored glue

Directions:
  1. Heat up 1 cup of water until it is warm.
  2. Mix in borax and stir until dissolved.
  3. Pour in glue and stir until it begins to form together.
  4. Remove borax and glue mixture and roll in hand to form ball.
  5. Allow ball to dry.

Map of Your Room

Related Social Studies Lesson November 18, 2021 on WQLN PBS

How to Make

Materials:
- White paper
- Dark-colored marker or crayon
- Crayons or colored pencils

Directions:
1. Go to the room your child sleeps in.
2. Have your child look around the room and decide what furniture, doors, etc. are important to include.
3. Draw the shape of the room—usually a rectangle or square.
4. Draw the furniture in the room. Have your child use basic shapes and don’t worry if it doesn’t look perfect!
5. Draw lines for the door and windows.
6. Help your child label the furniture in the room.
7. Have your child draw a picture of themselves sleeping on the bed (or wherever they normally sleep).

The Boredom Can

Related Special Education Lesson November 19, 2021 on WQLN PBS

How to Make

Materials:
- An empty soup or vegetable can.
- White paper
- Anything you have to decorate on paper
- Glue
- Strips of paper or popsicle sticks
- Black magic marker

Directions:
1. Clean up an empty soup or vegetable can.
2. Measure a piece of white paper that you will decorate and glue onto the can.
3. Decorate the paper in any way you want using paint, crayons, or whatever you have.
4. Glue onto the can to make a new cover for it.
5. On several pieces of paper or popsicle sticks, write with a marker some activity ideas to do when you are board. Place the paper or popsicle sticks inside the can.
6. Pick the paper or popsicle sticks out of your can when you are bored to give you some ideas of what to do.
