Ms. Chelsea’s Learning at Home Activity
Name Bug

Related Language Arts Lesson December 6, 2021 on WQLN PBS

How to Make

Materials:
- Medium-sized white paper
- Small pieces of paper to cut shapes out of (you’ll need one shape for each letter of your child’s name)
- Markers
- Scissors
- Glue

Directions:
1. Cut different shapes out of the small pieces of paper. We practiced star. Heart, circle, and triangle in today’s lesson.
2. Glue the shapes on your medium-sized paper in a way that looks like a caterpillar/bug.
3. Using the markers, have your child practice writing their name by having them write one letter of their name per shape on the caterpillar/bug.
4. Draw a face on your caterpillar/bug.
5. You are now all finished. Enjoy your Name Bug!

Shape Necklaces

Related Math Lesson December 7, 2021 on WQLN PBS

How to Make

Materials:
• Paper
• Basic shape cut-outs
• Scissors
• Hole puncher
• Glue stick
• Ribbon
• Crayons or markers

Directions:
1. Cut out different basic shapes to create with.
2. Put the shapes together on a piece of white paper to form a person that resembles you.
3. Glue the shapes onto the paper.
4. Cut around your shape person.
5. Use a marker or crayon to add a face, heart, and other features.
6. Punch two holes into the top of the paper.
7. String the ribbon through the holes and tie to form a necklace.
8. Wear your necklace to play, exercise, and shape up!

My Mat Man of Shapes

Related Science Lesson December 8, 2021 on WQLN PBS

How to Make

Materials:
- Colored construction paper
- White construction paper
- Scissors
- Glue or tape
- Markers, crayons, or colored pencils

Directions:
1. Using your construction paper, draw and cut out any large shape (circle, triangle, square, heart, etc.) to use as body.
2. Using another piece of construction paper, cut out four long strips to use as arms and legs.
3. Fold the strips back and forth over and over, and then glue to large body shape for the arms and legs of your mat man.
4. Cut out another shape for the head.
5. Glue the head shape to the body shape and decorate as desired.
6. Decorate your mat man using markers, crayons, or colored pencils.

Paper American Flag

Related Social Studies Lesson December 9, 2021 on WQLN PBS

How to Make

Materials:
- Paper
- Glue
- Scissors

Directions:
1. Use a white piece of paper for the base of your flag.
2. Cut red strips of paper to represent the lines on the flag and the shape of the stripes on our flag.
3. Glue the stripes onto your white paper.
4. Draw or cut out stars for the flag. Stars can be hard to draw—tracing a star might be easier for little hands.
5. Cut out a smaller blue rectangle to put in the upper left corner of your paper. Glue the rectangle onto the corner. This is where your stars will go.
6. Glue your stars onto the blue rectangle.
7. Hang up your completed flag and talk about the shapes in the flag.
Ms. Mollie’s Learning at Home Activity
Artists Use Shapes

How to Make

Materials:
- Scissors
- Glue stick
- Construction paper
- Pre-cut shapes

Directions for Project 1:
1. Use your pre-cut shapes to form a variety of items. You can try a house, car, flower, or mouse.
2. Glue the shapes to the paper.

Directions for Project 2:
1. Glue large square or rectangular colored paper to a background paper.
2. Using your scissors, “draw with your scissors” like Matisse to create an underwater scene. Make items like sand, fish, coral, and seaweed.
3. Glue pieces to background. Try to overlap shapes.
