

## Ms. Mollie's Learning at Home Activity

### Manners Matter

Related **Art Lesson** Airs October 29, 2021 on WQLN PBS

### How to Make

#### Materials:

- White paper
- Markers or crayons
- Black crayon
- Watercolors
- Messy mat

#### Directions:

1. Using a black crayon/marker, draw an upside-down "u" shape from the bottom of the paper. This will form the head of your toucan.
2. Create the beak by drawing two long, curved lines from the head. Now make a curved line through the center to form the opening of the beak.
3. Make a dot near the beak to make an eye. Draw a circle around it to make it stand out.
4. Using curved lines, start from the toucan and draw to the edge of the paper to create leaves.
5. Using whatever art supplies you have at home, color your jungle scene.
