Ms. Valerie’s Learning at Home Activity
Draw the Pigeon (and read great Mo Willems books!)

Related Language Arts Lesson December 27, 2021 on WQLN PBS

How to Make

Materials:
- Paper
- Black marker or crayon

Directions:
1. At the top of your paper, draw a circle for the Pigeon’s head.
2. Draw another circle inside the first circle for his eye. Now it looks like a donut.
3. Darken in a circle for the pupil inside the eye. This is the most important part!
4. Draw two lines down for the neck.
5. Draw two lines across the neck for the collar.
6. Draw Mo Willem’s invented shape: the “circ-angle.” This is a circle that decided to be a triangle halfway through its life. This is the Pigeon’s body.
7. Draw two lines down for legs.
8. Draw a sideways V for the wing, and then draw two upside-down V’s for the feet.
9. Add a speech bubble. Write what you want the Pigeon to say. Don’t forget to sign your name at the bottom!

Visit your local library or bookstore to find books by Mo Willems. He is the author and illustrator of many wonderful and funny books. Books to look for are the “Pigeon” series, the “Elephant and Piggie” series, the “Knuffle Bunny” series, “Goldilocks and the Three Dinosaurs,” “Edwina the Dinosaur Who Didn’t Know She was Extinct,” and many more!
