3. Attach eyes to the red tube body.
4. Cut out a nose shape from the black paper and attach it to the red tube.
5. Cut ear shapes from your second piece of red paper and attach it to the sides of the tube.
6. Using markers or crayons, add additional features to dog such as a mouth.
7. Using more of your black paper, cut one strip and attach it to the bottom of the tube as a collar.
8. If desired, attach string to the top so you can hang your Clifford lantern.
