

Miss Tara's Learning at Home Activity Fruit Kabobs

Related **Math Lesson** November 9, 2021 on WQLN PBS

How to Make

Materials:

- Variety of fresh fruits
- Wooden skewers
- Serving platter

Directions:

1. Follow the four steps of What's Cooking:

2. Shop for your favorite fresh fruit (strawberries, grapes, melons, etc.)
3. Have a grown up cut the fruit into cubes.
4. Slide the fruit on each skewer in a pattern sequence.
5. Place each kabob on a serving platter to share with family and friends.
6. Enjoy a healthy snack!
7. Help clean up.
