Miss Chelsea’s Learning at Home Activity
Frog Puppet

Related Math Lesson Airs October 19, 2021 on WQLN PBS

How to Make

Materials:
- Brown paper bag
- Green marker
- Black construction paper
- Red construction paper
- Green construction paper
- Scissors
- Glue

Directions:
1. Get all of the materials out.
2. Scribble with the green marker all over the brown paper bag.
3. Cut two medium-sized circles from the green construction paper.
4. Cut two small-sized circles from the black construction paper.
5. Glue the smaller black circles on top of the green circles. These will be your frog’s eyes.
6. Glue the eyes on the flap of the brown paper bag.
7. Cut a long strip of your red construction paper.
8. Fold your long strip of red construction paper into little squares.
9. Glue one end of the red strip to the flap on the paper bag.
10. All done! Enjoy your frog puppet!
