How to Make

Materials:

- Paper
- Glue
- Scissors

Directions:

1. Use a white piece of paper for the base of your flag.
2. Cut red strips of paper to represent the lines on the flag and the shape of the stripes on our flag.
3. Glue the stripes onto your white paper.
4. Draw or cut out stars for the flag. Stars can be hard to draw—tracing a star might be easier for little hands.
5. Cut out a smaller blue rectangle to put in the upper left corner of your paper. Glue the rectangle onto the corner. This is where your stars will go.
6. Glue your stars onto the blue rectangle.
7. Hang up your completed flag and talk about the shapes in the flag.
