Ms. Valerie’s Learning at Home Activity

Map of Your Room

Related Social Studies Lesson November 18, 2021 on WQLN PBS

How to Make

Materials:
- White paper
- Dark-colored marker or crayon
- Crayons or colored pencils

Directions:
1. Go to the room your child sleeps in.
2. Have your child look around the room and decide what furniture, doors, etc. are important to include.
3. Draw the shape of the room—usually a rectangle or square.
4. Draw the furniture in the room. Have your child use basic shapes and don’t worry if it doesn’t look perfect!
5. Draw lines for the door and windows.
6. Help your child label the furniture in the room.
7. Have your child draw a picture of themselves sleeping on the bed (or wherever they normally sleep).
