

Miss Sarah's Learning at Home Activity Handprint Tree

Related **Social Studies Lesson** November 25, 2021 on WQLN PBS

How to Make

Materials:

- Brown construction paper
- White construction paper
- Glue or tape
- Scissors
- Leaves from your yard or neighborhood
- Pencils, crayons, and/or markers

Directions:

1. Using your brown construction paper, trace your hand to create a tree trunk.
2. Cut out your hand tracing and glue to white construction paper.
3. Glue the leaves you collected onto handprint tree trunk.
4. Use pencils, crayons, markers, etc. to decorate your scene on and around your tree.
