How to Make

Materials:

- Colorful construction paper
- White construction paper
- Scissors
- Glue or tape
- Markers, crayons, etc.
- Coffee filter
- Spray bottle of water
- Cookie tray

Directions:

1. Using the coffee filter and markers, color coffee filter pattern as desired.
2. Lay colored coffee filter onto cookie tray. Spray lightly with water.
3. Allow color to spread on coffee filter and dry fully.
4. While your coffee filter is drying, use construction paper to draw and cut out cloud shape.
5. Decorate your cloud with the facial expression/emotion of your choice.
6. When your coffee filter is completely dry, fold it in half to create a half circle.
7. Glue or tape your decorated cloud onto the bottom of the coffee filter.
