Miss Julie’s Learning at Home Activity
Making Juice with Benjamin

Related Special Education Lesson December 3, 2021 on WQLN PBS

How to Make

Materials:
- Various fruits and vegetables, cut up
- A juicer or a blender
- Cups and straws

Directions:
1. Place a variety of fruits and vegetables into a juicer or a blender.
2. Watch the blending process and see what colors the fruits and vegetables make.
3. Pour the blended fruits and vegetables into your cup.
4. Enjoy
