Bird Feeder

How to Make

Introduction:

“What do birds outside eat? They love it when we have a bird feeder! Would you like to make one with very simple directions??”

Materials:
• Toilet paper roll
• Peanut butter
• Bird seed
• String

Directions:
1. Cover the toilet paper roll with peanut butter
2. Roll it in the bird seed
3. Put a string through the toilet paper roll and tie it
4. Hang it onto a tree limb
5. Watch the birds when they come for the treat!
