Miss Debbie’s Learning at Home Activity

**Bear Den**

---

**Related Math Lesson** Airs February 2, 2021 on WQLN PBS

**How It Works**

**Materials:**

- Paper bag
- Stapler
- Glue
- Outdoor items, such as leaves, twigs, bark.

**Directions:**

- Cut a hole in the bag to make the den opening.
- Fold over the top of the bag and staple it closed.
- Decorate bag with the items you found outdoors.
