

Miss Jeanette's Learning at Home Activity Making a Sponge Boat

Related **Bilingual Lesson** Airs February 19, 2021 on WQLN PBS

How to Make

Materials:

- Sponge
- Color paper or white paper
- Straw
- Scissors
- Glue stick

Directions:

1. The first thing you will need is some colored paper. Pick any color or you can use white paper.
2. Then you will take the paper and cut out a triangle.
3. You can cut one big triangle, or you can make two triangles.
 - a. One big and one small triangle
4. You can make one little cut on top of the triangle and one cut on the bottom.
5. Take the straw and put it through the two areas you just cut.
6. Make a little cut on the sponge where you want the sail to be.
7. Now you can put it all together.

*Now you can take your sponge boat and put it in a pan and give it a little blow.
Watch it go!*
