Miss Tara’s Learning at Home Activity

3-D Moon, Earth, Sun

How to Make

MATERIALS:

1. Paper
2. Scissors
3. Glue
4. Markers or Crayons
5. Clean Sponge
6. Tracing bowls (three different sizes...Small, Medium, Large)

DIRECTIONS:

1. Trace three different size bowls on three different colors paper.
2. Cut out the circles.
3. Write Small-Medium-Large on each appropriate bowl up in the right-hand corner.
4. Cut the clean sponge in half to make 2 equal pieces.
5. Glue each sponge piece on the opposite side (diagonal) from the writing on the circle.
6. Cut circles flat to stand up and enjoy seeing the difference in sizes of the Moon, Earth, and Sun!!

This project can be done with stars as well.
