How to Make

Egg Carton Counting Game

Materials:

- Egg carton
- Seeds, pebbles
- Marker

Image: thatscountryliving.com

Directions:

1. Write a number in each section of the egg carton.
2. Your child can add the same amount of seeds or pebbles to match the number in each section.

Paper Flower Garden

Materials:

- Construction paper
- Glue
- Scissors

Directions:

1. Cut out several pieces of green, rectangular construction paper for the stems.
2. Apply glue on one side of the paper and roll up on an angle.
3. Cut out several different flower shapes and glue to the tops of the stems.
4. Put these together in a vase for a fun bouquet made by your favorite little person!
