

ARTIST: Genelia K.

SCHOOL: Erie Day School

GRADE: 8

TITLE: Glimpse of Hope

STATEMENT:

After we battle the hardships of winter,

Hope and light come to us in the form of spring.

It empowers us, carries us, gives us strength.

And suddenly we have the confidence to see the darkness through.

Spring indicates a new year and a new beginning,

An opportunity for the flower that is hope to bloom.

And this spring, my wish is to see Ukraine triumph through the wintry war.
