

ARTIST: Samantha W.

SCHOOL: Oil City Area Senior High School

GRADE: 12

TITLE: Stay

STATEMENT: In my art, I like to explore the bounds of colors to express semi-realism rather than line work. The purpose of my art is to convey a deeper meaning that any viewer can interpret in their own way. This piece while displaying beauty in colors and lights, shows beauty in life and keeping the light alive. It displays beautiful emotion although can be viewed as just a vibrant light.
