

# The Puppy And The Kitten

Written by

Once upon a time  
there was a  
puppy and the  
kitten. They both  
are best friends.

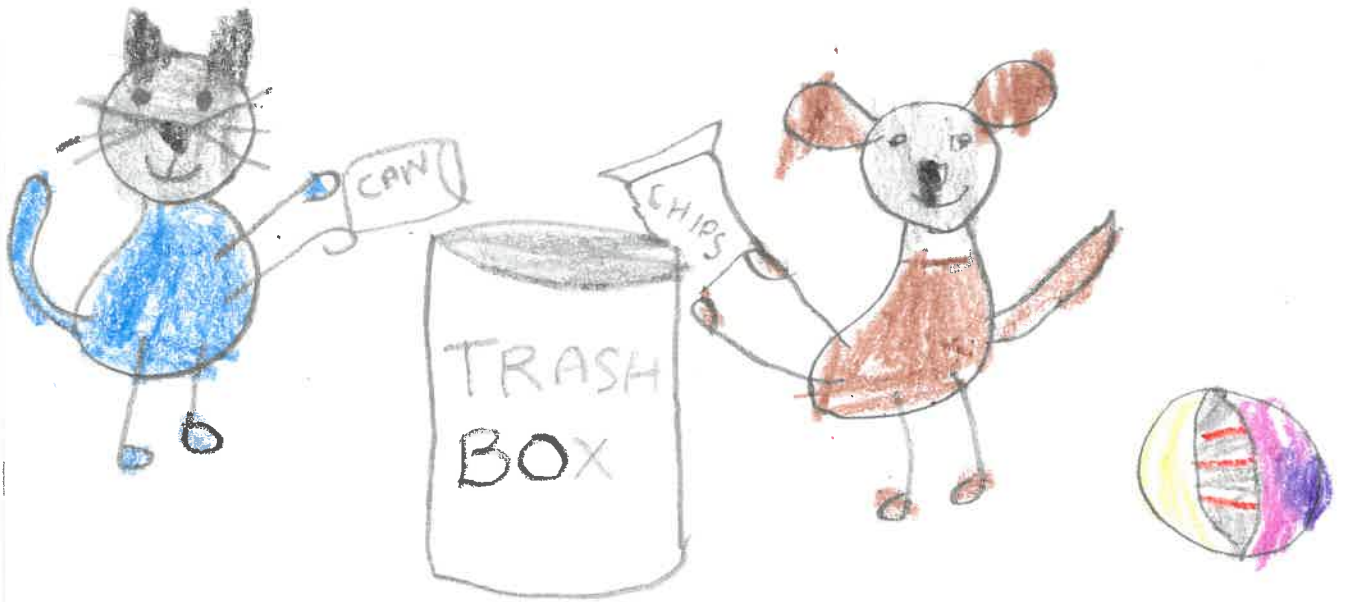

One day they found  
a toy box.

They like to take  
a ball from the toybox.  
Then both went to  
the playground to play  
with the ball.

But the Play ground  
was a big mess with  
Chips packets and cans  
So the Puppy and the  
kitten were so sad.

The PUPPY and the  
kitten cleaned up the  
Play ground together

Then they played happily  
ever after.

Moral: Do not make Public  
Places messy.
