Once upon a time, there was a little girl named Brinley almost eight years old. She has a best friend named Elise. They knew each other ever since daycare; their teacher's name was Miss Anne.
Elise is the same age as Brinley because their birthdays are two days apart, Brinley’s is April seventh and Elise’s is April ninth.
One day, Elise spent the night at Brinley’s house on Valentine’s Day (night) of 2021. They had quite an adventure! Let me tell you about it.
First, they came along a very long branch. They thought it was quite odd. So, they decided to pull on it. All the sudden, a time machine appeared!
"WOWIE-WOW-WOW!" exclaimed Elise.

Brinley just stood there with her mouth hanging open.
Finally, they stepped inside. Brinley said "I wish to go to a mermaid pond! All the sudden, they were at the biggest mermaid pond in the world!"
There were mermaids swimming in the pond, fairies were flying all around the pond, twenty triple rainbows, sixty unicorns sliding down the rainbows and everything!
They could even swim with the mermaids which were riding on pink dolphins! They slid to the end of the rainbow to where they met lucky leprechauns and got a few gold coins each to treasure and remember!
That's when they found another time machine!
"That must mean it’s time to head back home now.” said Brinley sadly.

“Yes. That’s a shame, I really enjoyed this.” said Elise.
“Yes. Me too.” said Brinley. “But we have to go. We can come back again soon.”

“I know.” Elise said sadly. So, they said good bye to all their new friends and took off.
