## Headquarters

Hi, I'm Pizza Girl and my family and I are a bunch of pizzas. We save other pizzas from being eaten by humans.

Ring! Ring!

"We have an emergency," Pizza girl said.

"There is a pizza at Pizza Street that's in trouble," said Pizza mom.

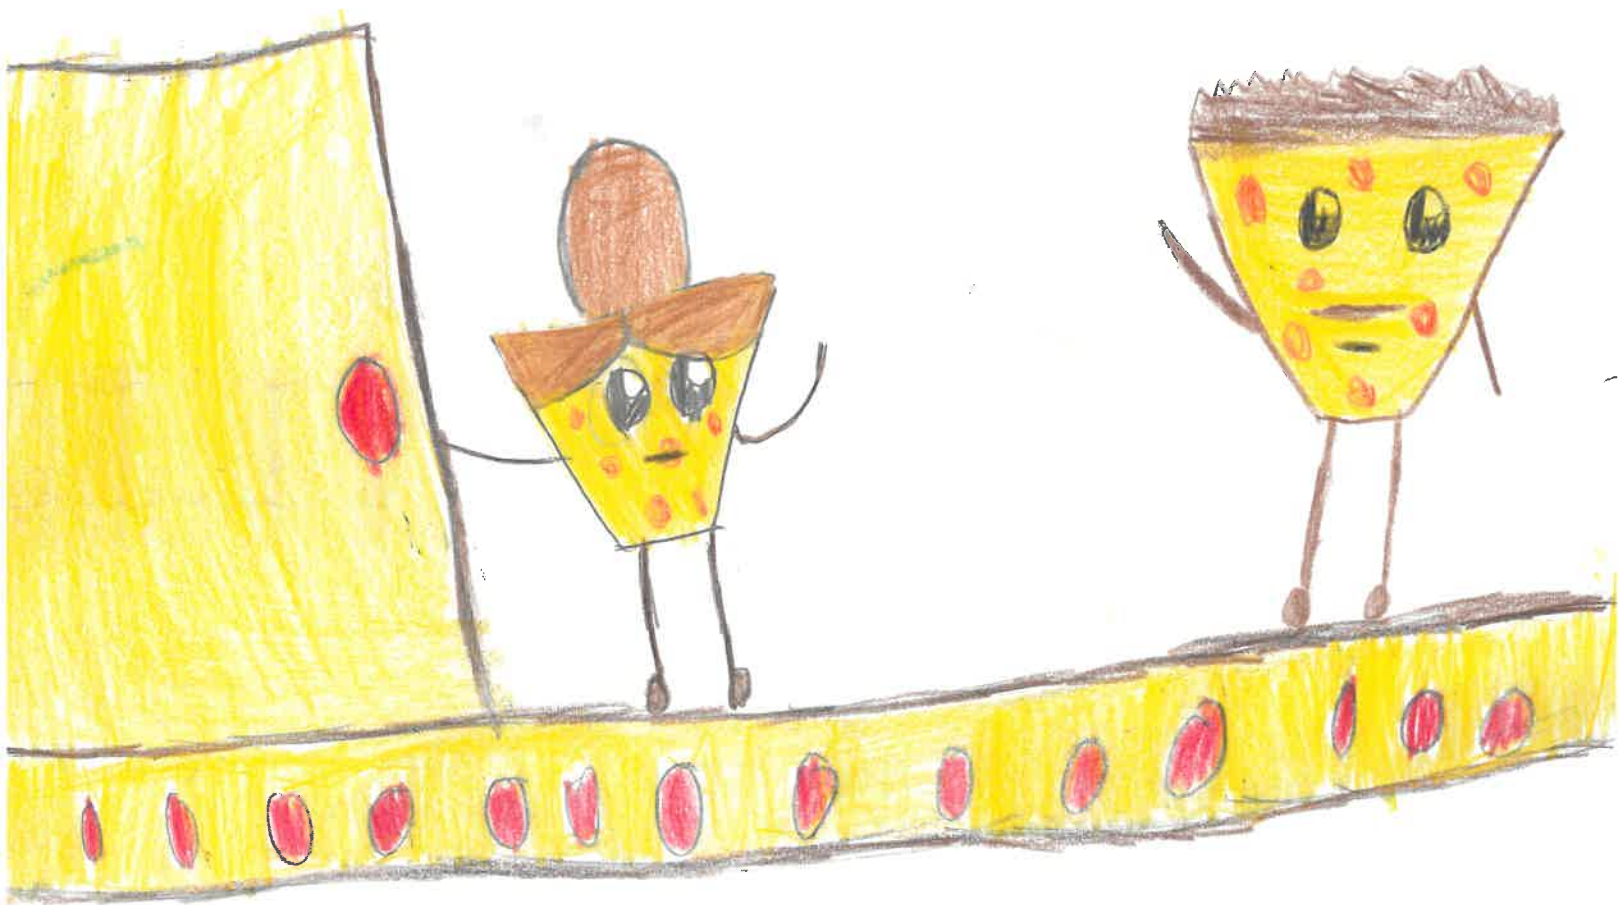

"How did it get there," asked Pizza Girl?

"I don't know, maybe he went to a secret party," said Pizza sister.

Pizza fart!

"Ewwww, what was that," Said Pizza Girl?

"That was me, sorry," said Pizza dad.

"We have to go," yelled Pizza Girl!  
"Ok, let's hurry," Said Pizza Mom.

*\*Flying in the air\*.*

“We're here,”said Pizza Sister.

”Finally,” shouted Pizza Girl!

“Look down there,” said Pizza dog.

“We have to be sneaky about this, we're going to sneak in and grab the pizza,” whispered Pizza Girl,

“We will need a distraction,” said Pizza Mom.

“I can distract the human,”said Pizza dad.

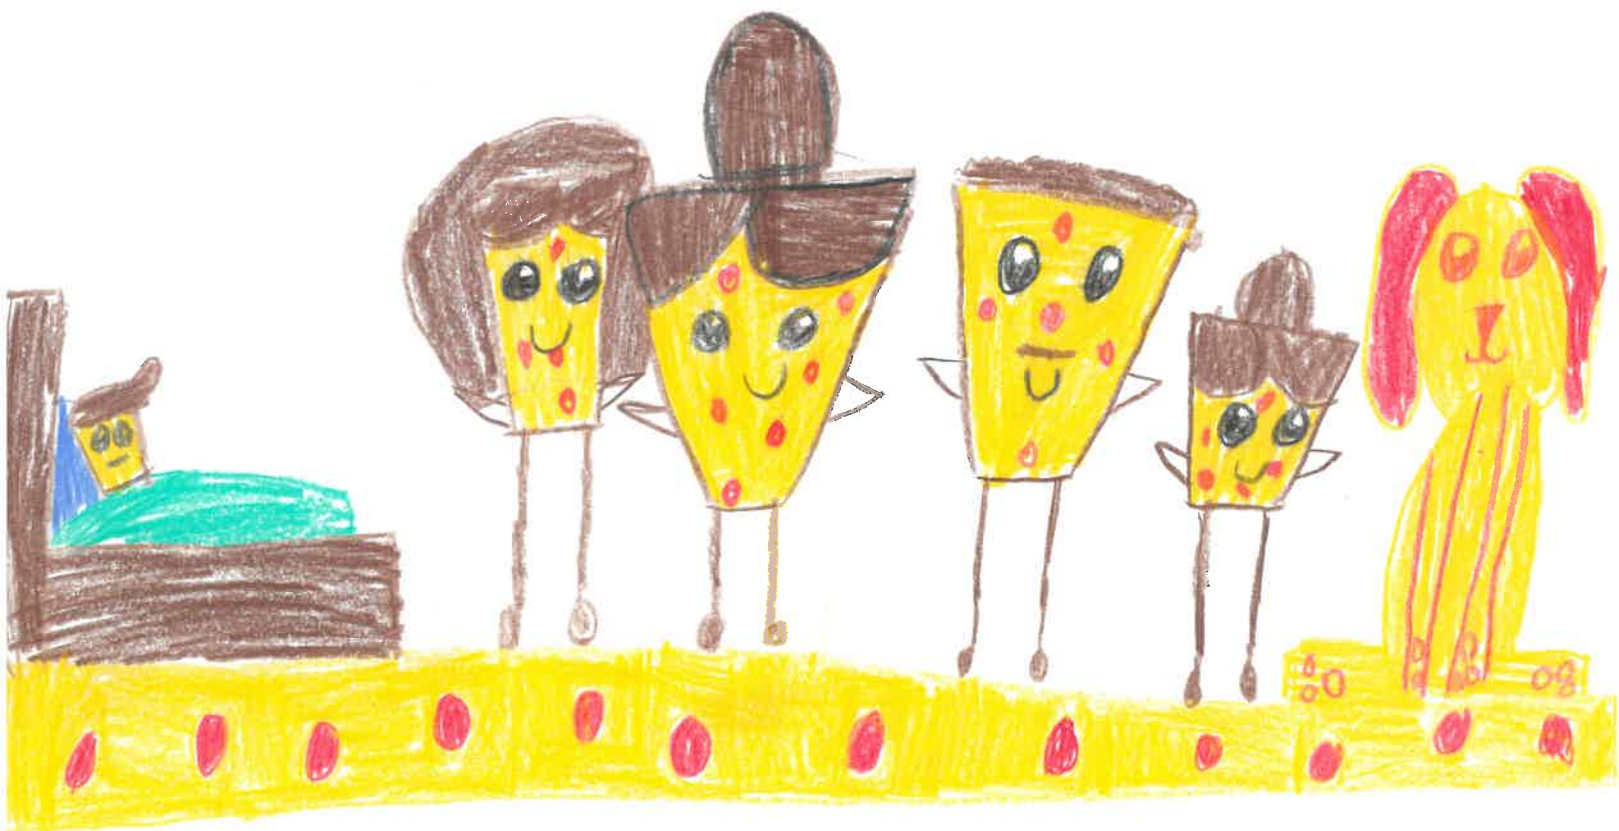

READY, SET, GO!

"Hey over here," said Pizza dad to the human.

"Come and get us," said Pizza dog.

A few moments later....

"We lost him but we saved the pizza. Let's go back to headquarters," said Pizza dad.

“We’re back to headquarters,” said Pizza mom, “I’ll go warm the pizza and make some pepperoni soup”

“The pizza survives,” said Pizza Girl.

“YAY,” yells the whole Pizza family.

Then they have a pizza party with just pepperoni soup.

THE END!
