

If I was invisible.

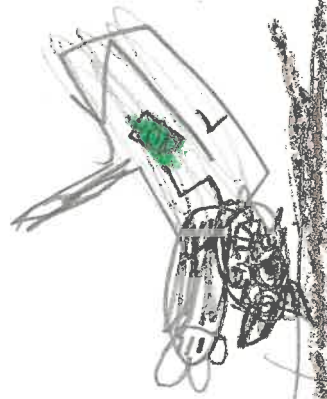

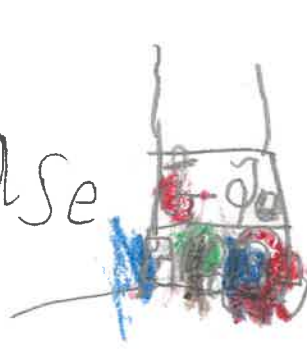

If I was invisible.

Always do your best!

If I was invisible for a day I
will prank people. I find a pie
in their face. I flush the toilet.
I use the remote I break the tv. I
find the water on. When I prank
them they are scared or mad.
They are sick because of my pranks.
It was fun pranking them.
I go to bed. When I go
to bed I'm visible.

pie is the case

The End...
